Plan Your Family Naturally – Introduction to Natural Family Planning
Updated – 9/29/17

DVD & Study Guide (English & Spanish)

Join Natural Family Planning (NFP) educators Dr. Jennifer and Matthew DeMarco as they reveal one of the Catholic Church's best kept secrets: an effective, simple, and natural approach to family planning. The DeMarcos are joined by Chris and Dan Volpe and Damon and Melanie Owens, married couples who share their own experience of discovering, learning, and living NFP. These couples give a heartfelt, real-life witness to its effectiveness, challenges, and many benefits—practical, relational, and spiritual—as they cooperate with God's natural plan for married sexuality.
