

# Mottet Leadership Institute

Father Marvin Mottet believed that action on behalf of social justice is a necessary part of a moral life. Charity and justice are the two steps in his "two feet" approach. Too many people walk on one foot, but it takes both feet to walk in the footsteps of justice. Stepping for justice is something that requires training. That is the goal of the Mottet Leadership Institute.

Father Mottet looked to the Gamaliel Foundation of Chicago and Quad Cities Interfaith to provide leadership training. He sent many people from the Quad Cities to the weeklong training in Chicago. The Mottet Leadership Institute brings this same training to the Quad Cities in an 8-week format.

**The eight sessions of the training will be held from 10 am to 4 pm  
on eight Saturdays:**
