where  
Christ Reigns  
at

**NCYC 2009!**

National Catholic Youth Conference ~ Nov. 19-21, 2009

*Soon and very soon we are going to see the King  
and about 25,000 young Catholics  
at NCYC 2009 in Kansas City, Mo.*

*NCYC brings together nationally known speakers, incredible musicians, and fun-loving Catholics like **you** for three days you'll never forget. You'll love the huge interactive village where you can meet folks, swap trade items and eat while you learn more about your faith. You'll also experience powerful prayer and worship experiences that will inspire you for a lifetime!*

**If you'll be in high school next fall and are ready to celebrate your faith, recognize your role in the Church and just have a great time being young and Catholic, ask your youth leader about NCYC!**
