Cover the Kids Day Initiative 2009: The Iowa Department of Human Services is designating Sunday, October 18 as the second Cover the Kids Day in Iowa. We're asking for your help to let parents know they can apply for free or low-cost health and dental coverage for their children. There are as many as 27,000 children in Iowa who have headed back to school without health insurance coverage. The State of Iowa offers two health care coverage programs to help families maintain coverage for their children – Healthy and Well Kids in Iowa (*Hawk-i*) and Medicaid. Here's how your parish can help:

1. Inform worshipers from the pulpit, church bulletins or both that Iowa offers two free or low-cost health and dental coverage programs for children;
2. Have several enrollment application packets on hand for members of the congregation to pick up;
3. Encourage parents who might benefit to take home an application form and send it in.

In early October each parish will be receiving bulletin inserts/announcements, talking points for announcements, and a packet of application forms to make it easy to participate. Your participation in Cover the Kids Day can make a significant difference in the lives of many Iowa families. For more information please contact Amanda Paulsen at 515-244-4456 or apaulsen@zlrignition.com.
